# Building Product Declaration Scanspac

This form is in accordance with the Association for Construction Product Declarations guidelines of BVD2015 and the Swedish Adhesive and Sealants and Swedish Paint Makers Associations guidelines. The information is based on industry recommendation and current legislation.

#### 1. Basic data

Product identification							
Product name: Dalapro Lightning Maximu	m Pr	roduct group: Wet ready mixed filler					
Issue date: 2023 08 14	ID	): 610281, 610280					
GTIN: 7391578102818, 7391578102801							
Product description: Wet ready mixed fille	er						
In case of a revised declaration							
The change relates to:		A changed product is identified through the classification- and labelling information. Minor changes, with no relevance to classification, cannot be distinguished by any information on the outside of the package.					
Replaces version from (date):		Controlled with	out change on	(date):			
Does a Declaration of Performance exist, in with the Construction Product regulation?	n accordance	⊠ Yes	☐ No	Not relevant			
If yes, state the number on the Declaration	n of Performan	ice: 610281, 6102	80				
Other information:							
Company name: Saint Gobain Sweden AB	Scanspac	Company registi	ration number	: 556241-2592			
Address: Kemivägen 7, 705 97 Glanshammar, Sweden Contact person: Ellinor Johansson							
Telephone: + 46 19 46 34 00							
Web site: www.dalapro.com		E-mail: ehs.scan	spac@dalapro	.com			
Does the company have an environmenta	l management	system?		☐ No			
The company possesses certification in compliance with	⊠ ISO 9001	⊠ ISO 14001	Other, sp	ecify:			
2. Sustainability work							
Has any code of conduct, policy or guideline been used to address Corporate Social Responsibility?							
If yes, describe below the company's world	If yes, describe below the company's work with CSR:						
Other information:

### 3. Declaration of contents

Is there a Safety Data Sheet for the product?									
State the weight of the product: ca 1,1 kg/l Weight is not possible to state/ not applicable									
State the classification of the product: Not classified as hazardous									
At the time of delivery, the product comprises the following parts/components, with the chemical composition stated:									
Constituent components  Constituent substances or g reg no components  Constituent substances or g reg no components									
Filler	Dolomite	20-5	0	16389-88-1	1	No			
Filler	Pumice	2,5-1	.0	1332-09-8		No			
Filler	Expanded alumina perlite	2,5-1	.0	12001-26-2	2	No			
Filler	Perlite	2,5-1	.0	93763-70-3	3	No			
Water	Water	20-5	0	7732-18-5		No			
Binder	Water based acrylic esters	2,5-1	.0	N/A		No			
Thickener	Clay	1-2,5	,			No			
Additives	N/A	1-2,5	5	N/A					
Biocide	BIT	<0,0!	5	2634-33-5		Yes			
Biocide CIT/MIT <0,0015 55965-84-9 Yes									
Other information: EUH208 Contains BIT <500 ppm and a mix of CIT/MIT (mix 3:1) <15 ppm. May produce an allergic reaction.									
Does the product, or any of its parts, contain any Substances of Very High  Concern, found on the Candidate List in concentrations above 0,1 %?									
In case of complex products, has the concentration been calculated on:									
State which version of the Candidate List that has been used (Year, month day): 2023 06 15									
Is the RoHS-directive relevant for the product?									
If the chemical composition of the product differs between time of delivery and when built in, state the chemical composition of the built-in product here. If the chemical composition does not change, leave table below empty:									
Component									
Does the product of for a specific reason	•	iterial, p	urpo	sely added to	the product	Yes	⊠ No
